Changing Lives

We understand how important it is for women to protect themselves and their family. That is why we offer **All Woman, providing financial peace of mind** during some of life's most difficult times. All Woman covers women and children against a variety of cancers as well as providing essential benefits and assistance when you need them most.

WHAT THE ALL WOMAN POLICY OFFERS:

A lump sum pay out if you are diagnosed with a female-specific cancer such as breast, cervical or ovarian cancer.

20% of the sum assured for **pregnancy complications**, which covers both you and your baby or babies.

10% of the sum assured for **Systemic Lupus** for certain insured organs such as kidney, lungs and the central nervous system.

40% of the sum assured if a **violent crime** results in you **testing positive for HIV**.

Cover for up to 4 children on the policy for certain cancers such as leukaemia and brain tumours, with up to **50%** of the sum assured paid out up to a maximum of **R250 000***.

Cover options range from **R250 000 up to R1 Million**.

Please refer to policy book for full terms and conditions.
